

Lighter Side of Medicine

HUMOR

SPRING FEVER

Four high school boys afflicted with spring fever skipped morning classes. After lunch they reported to the teacher that they had a flat tire.

Much to their relief she smiled and said, "Well, you missed a test today so take seats apart from one another and take out a piece of paper."

Still smiling, she waited for them to sit down.

Then she said: "First Question: Which tire was flat?"

A MATHEMATICIAN, A PHYSICIST, AND AN ENGINEER

A mathematician, a physicist, and an engineer were traveling through Scotland when they saw a black sheep through the window of the train.

"Aha," says the engineer, "I see that Scottish sheep are black."

"Hmm," says the physicist, "You mean that some Scottish sheep are black."

"No," says the mathematician, "All we know is that there is at least one sheep in Scotland, and that at least one side of that one sheep is black!"

AND I WORK IN THE DARK

A doctor of psychology was doing his normal morning rounds, and he entered a patient's room to find his patient sitting on the floor, sawing at a piece of wood with the side of his hand. Meanwhile, another patient was in the room, hanging from the ceiling by his feet.

The doctor asked his patient what he was doing, sitting on the floor.

The patient replied in an irritated fashion, "Can't you see I'm sawing this piece of wood in half?"

The doctor inquired, "And what is the fellow hanging from the ceiling doing?"

"Oh. He's my friend, but he's a little crazy. He thinks he's a light bulb."

The doctor asks, "If he's your friend, don't you think you should get him down from there before he hurts himself?"

What? And I work in the dark!?"

I'M NOT GOING TO DO THAT!!

Tech support: "Okay Colin, let's press the control and escape keys at the same time. That brings up a task list in the middle of the screen. Now type the letter "P" to bring up the Program Manager."

Customer: I don't have a P.

Tech support: On your keyboard, Colin.

Customer: What do you mean?

Tech support: "P" on your keyboard, Colin.

Customer: I'm not going to do that!!

NEVER LEAVE THE MIND VACANT

An empty mind is the devil's workshop.

All evil actions start in a vacant mind. Keep your mind occupied in something positive, something worthwhile. Actively follow a hobby. Do something that holds your interest.

You must decide what you value more: money or peace of mind.

Your hobby, like social work or religious work, may not always earn you more money, but you will have a sense of fulfillment and achievement.

Even when you are resting physically, occupy yourself in healthy reading or chanting of God's name.

ANNIVERSARY GIFT

After she woke up, a woman told her husband, "I just dreamed that you gave me a pearl necklace for our anniversary. What do you think it means?" "You'll know tonight," he said. That evening, the man came home with a small package and gave it to his wife. Delighted, she opened it – to find a book entitled "The Meaning of Dreams."
